

1 inizio viabilità Via San Tommaso/ Cassottana

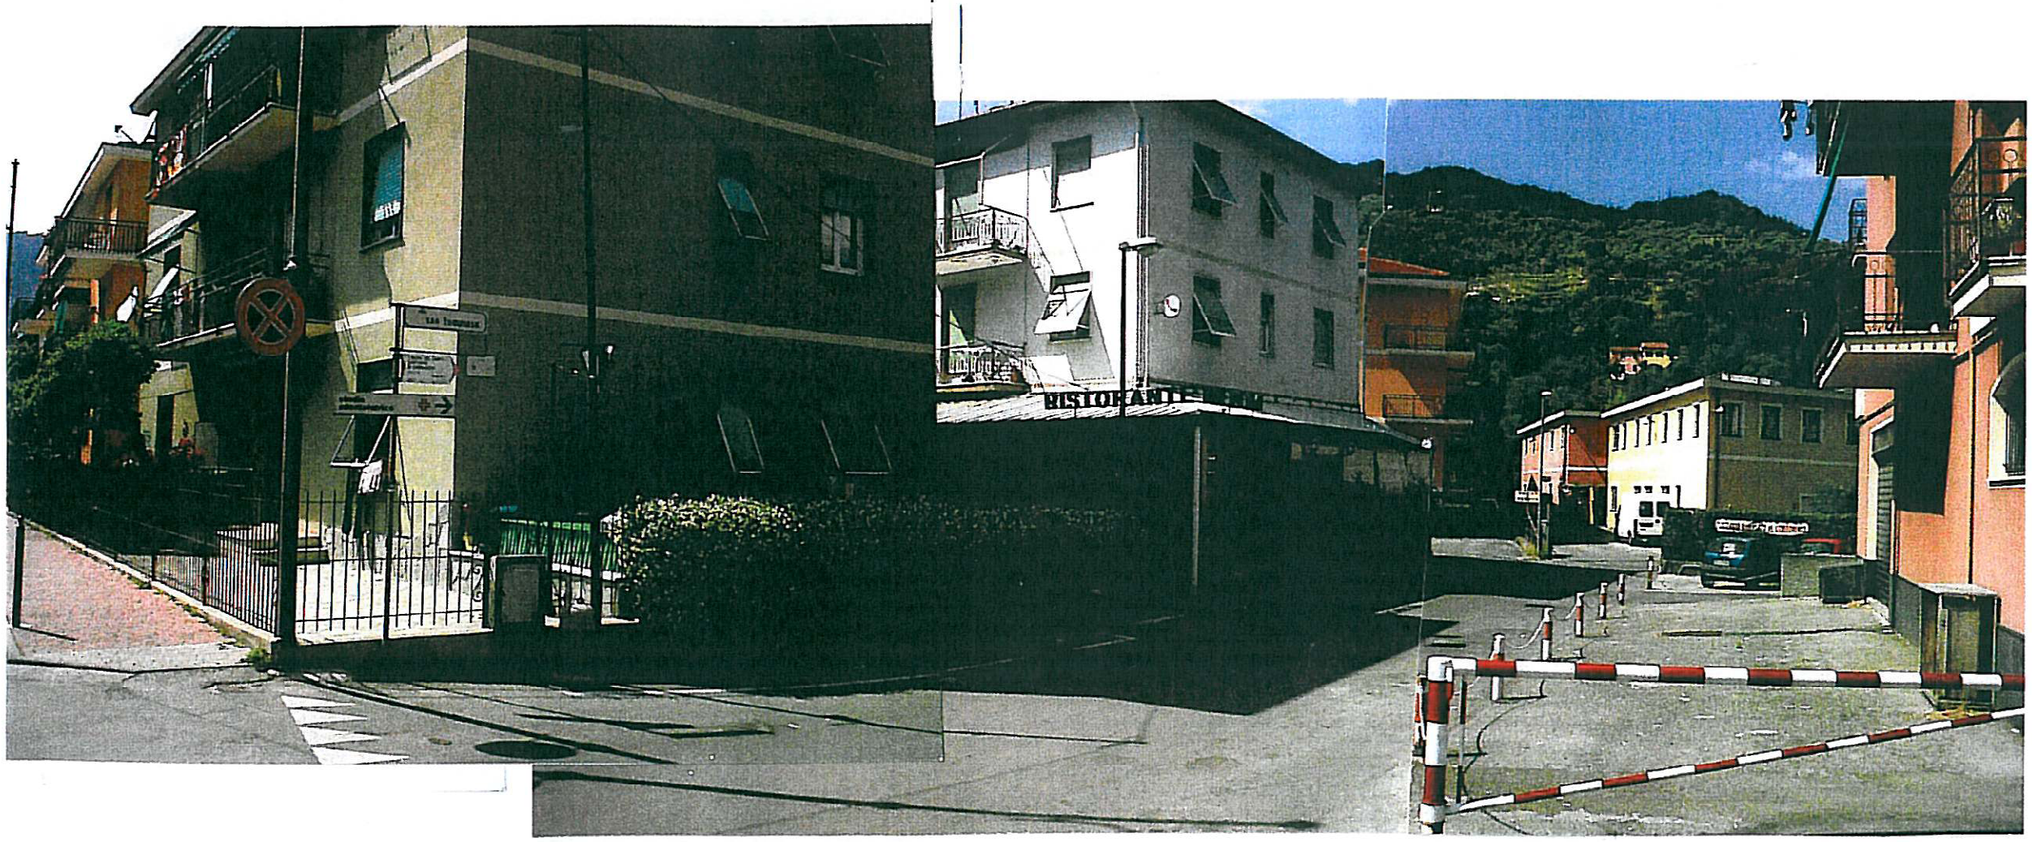

The document was created with PDF/A Quick Master from soft Xpansion, www.soft-xpansion.com

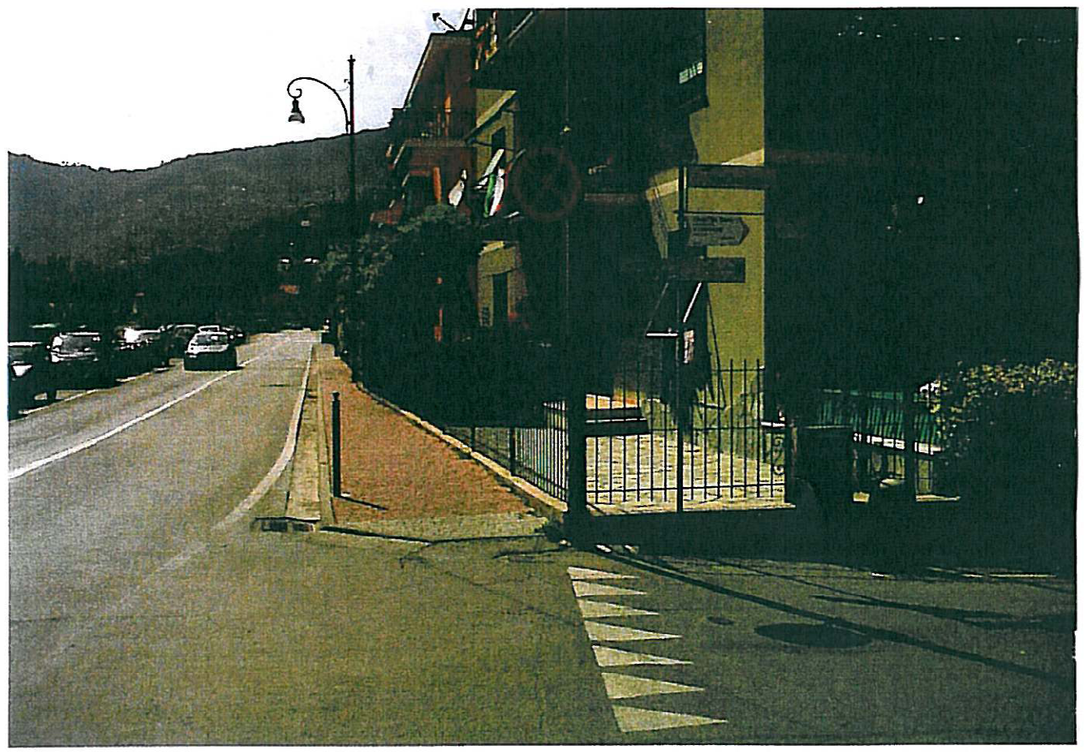

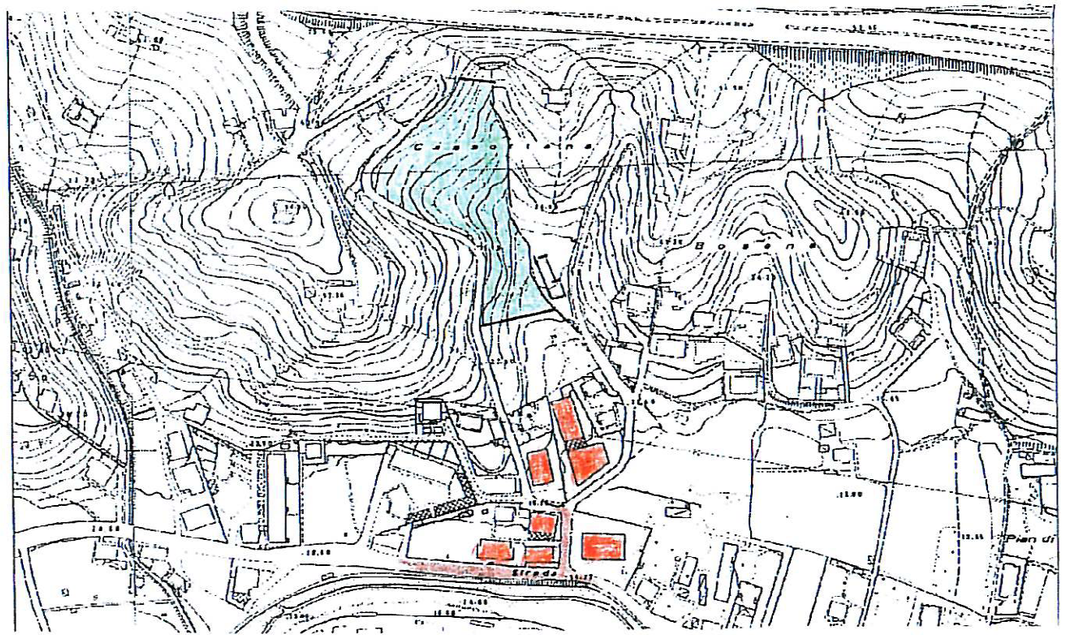

l.a lo stesso edificio, sito ad una quota corrispondente a quella più alta prevista in progetto, visto da Via San Tommaso e dall'innesto con Via Santa Maria. Da questa posizione si rileva la non percettibilità dell'intervento in progetto che, previsto a ponente della costruzione di cui sopra, risulterà occultato dalle costruzioni presenti , la cortina lungo Via Santa Maria.
